2023-2024 Prince Snow Resorts

"Safety and security in our resorts"
We aim to provide facilities that are safe for all skiers and snowboarders.

Helmet wearing propulsion movement
Prince Snow Resort encourages you to wear a helmet for your safety.

Guidelines for leaving Furano Ski Resort for uncontrolled areas (backcountry)

- To prevent accidents, please use one of the designated access points when leaving a controlled ski area.
- To prevent accidents, please remove your skis when leaving a controlled ski area so as not to leave ski tracks in the snow.
- Be sure to submit a designated mountain climbing report to the nearest patrol station (which receives the report on behalf of the police).
- Please check you have the gear necessary for backcountry skiing before leaving a controlled ski area.
- Act on your own judgement and with self-responsibility outside of controlled ski areas.
- It is advisable to take a device to measure the latitude and longitude in case of emergency.
- It is advisable to take a communication device (e.g., cell phone, wireless device) in case of emergency.

For the latest weather and snowfall conditions, please refer to Ski Patrol or the Furano Ski Resort Facebook and Home page.

Search-and-rescue operations are conducted in the event of an emergency, the person(s) searched for and rescued will be responsible for all expenses for the search and rescue.

In the event of an emergency, inform us of the area through which you exited the controlled area, your name, phone number, the color of your clothing, current conditions (e.g., got lost, got injured, encountered an avalanche), and the latitude and longitude of your location. We will report to the police and act as instructed by the police.

We ask for your understanding and cooperation to prevent accidents.

* If you do not follow these rules, we will temporarily confiscate your lift ticket. Furano Ski Resort

For Users of Furano Ski Resort (notification formulated on October 1998)

Japan Funicular Transport Association, Ski Association of Japan, Ski Instructors Association of Japan, National Ski Safety Measure Council, Japan Snowboarding Association

This ski resort makes its best efforts to ensure your safety. Please understand the following matters and observe the separately prescribed Action Rules at Ski Resorts to prevent accidents. (Snowboarders are kindly requested to replace "ski" with "snowboard.")

- Please be aware that there are specific risks in skiing. Exercise caution to avoid the following risks.
 - Risk due to weather conditions such as snow, wind and fog
 - Risk due to terrain such as cliffs and irregularities
 - Risk due to snow conditions such as frozen snow surfaces and avalanches
 - Risk due to natural obstacles such as rocks and standing trees
 - Risk due to artificial obstacles such as lift facilities, buildings and snow vehicles
 - Risk due to contact with other skiers
 - Risk due to your own negligence
 - Please do not leave controlled ski areas, and do not go beyond designated courses in the controlled areas.
 - Please do not let children act alone in a place where parents can't keep an eye on them.
 - This ski resort is not responsible for accidents due to negligence or disregard of this notification and the Action Rules at Ski Resorts.
- Those who cannot accept these matters are not permitted to ski at this ski resort.

Action Rules at Ski Resorts (formulated in October 1998)

Japan Funicular Transport Association, Ski Association of Japan, Ski Instructors Association of Japan, National Ski Safety Measure Council, Japan Snowboarding Association

- Do not hurt or threaten other people.
- Control your speed according to circumstances, such as the terrain, weather, snow quality, skiing skills, physical condition and congestion, so you can easily stop anytime to avoid danger.
- Take care not to interfere with people skiing in front of you.
- When overtaking other people, keep a sufficient distance from them.
- When starting to ski, joining other people or crossing across a slope, carefully look upslope to ensure your safety.
- Do not sit on a course. Refrain from stopping in a narrow area or an area with poor visibility. If you fall down, quickly clear space for other skiers.
- When climbing, walking and stopping, use the edge of the course.
- Attach low stoppers to your skis or snowboard.
- Observe precautions given by notices, signs and announcements, and follow instructions from ski patrol and ski resort staff.
- If an accident occurs, cooperate with relief operations and reporting, and disclose your identity regardless of whether you are a person involved in the accident or a witness.
